SUITE ACCESS

Gainbridge Fieldhouse Suites on both the KeyBank Suite Level and Krieg DeVault Level are accessible from the Entry Pavilion. Guests should carry their mobile devices to show proof of mobile suite ticket at all times. The KeyBank Suite Level is exclusive to KeyBank Suite and Veranda ticket holders, while the Krieg DeVault Club Level is open to the general public for the entirety of the game/event.

KeyBank Suite Level Access: Guests may access via the Entry Pavilion elevators or via the KeyBank Suite Level stairwell located to the left of the elevators.

Krieg DeVault Level Access: Guests may access via the Entry Pavilion elevators, Pedestrian Bridge via the Virginia Avenue Parking Garage, or by proceeding through the Main Concourse to the stairs in the East/West Pavilion.

Guests must present Suite tickets or Suite guest passes to be admitted to both the KeyBank Suite and Krieg DeVault Levels. For all included events, Suite Holders receive the number of tickets shown in their Suite Holder License Agreement (unless otherwise noted). Suite Holders may also choose to purchase additional Standing Room Only tickets for included events or purchase all Suite tickets for non-included events (based on availability).

Entry Times:

Suite Holders may access their Suite at the scheduled opening of doors for the event. Please visit the Suite Event Alert page ([HERE](#)) or call your Premium Experience Manager for verification of door times for non-Pacers events. For NBA/WNBA games and most non-Pacers events doors will open **one hour** prior to the start of the event (all times are subject to change).

- Suite Holders and their guests must allow PS&E and Levy staff members access to the Suite as needed throughout the event.
- When available, for select events not included in the Suite package, a minimum of six (6) tickets must be purchased in order to open and activate your Suite. For example, one of the non-included Disney on Ice performances.

Accessible Suite Access: Guests with disabilities who may benefit from special accommodations may access both Suite Levels via the elevators located in the Entry Pavilion. The Virginia Avenue Parking Garage is equipped with several reserved parking spaces for guests with disabilities. Guests can also be dropped off at the Simon Family Plaza on Pennsylvania Street.

Temporary modifications can be made to your Suite prior to an event to better accommodate guests with disabilities. Please contact your Premium Experience Manager 48 hours prior to an event at which a disabled guest will be visiting either the KeyBank Suite or Krieg DeVault Level Suite. We will be happy to provide the appropriate modifications with advance notice.

Non-Event Suite Access: Access to your Suite during non-event hours is by appointment only and subject to the Gainbridge Fieldhouse event schedule. Arrangements may be made through your Premium Experience Manager. Advance notice of 48 hours is required for access as well as any food and beverage orders.

POLICIES AND PROCEDURES

Certificate of Insurance: Each Suite Holder is responsible for liability insurance on their Suite prior to using the Suite, including host liquor liability coverage (unless specifically notified in writing otherwise). If two or more companies lease a Suite in partnership, all partners within the Suite must be insured. Partners may desire to purchase insurance individually or appear on one certificate listing all partners as insured. MyCOI is a service we use to collect and store certificates of insurance to verify compliance. Designated administrators may receive a request via email to create an account and upload your COI as needed. Please see your License Agreement for further details. If you have specific questions, please contact your Premium Experience Manager directly or Paula Maxwell (Associate Vice President / Risk Management) at pmaxwell@pacers.com / 317-917-1213.

Photography: Gainbridge Fieldhouse guests may be prohibited from using still photography, movie cameras, video or audio recording equipment to record an event. Please check with a Premium Experience Manager for verification. The NBA and event promoters dictate this policy. PS&E staff reserves the right to confiscate images or film used for these purposes.

Smoking Policy: Gainbridge Fieldhouse is a smoke-free building. Smoking in the Suites is not permitted; however, smoking is permitted outside the building. Please contact a member of the Fieldhouse staff for assistance and directions to approved smoking locations.

Suite Décor and Personalization: All branding and décor opportunities will be presented by your Premium Experience Manager.

With PS&E's prior approval, Suite Holders may provide items such as plastic cups and napkins containing the Suite Holder's logo.

Televisions/Lighting In-Suite: During certain events, such as concerts or family shows, performers may require that the building remain dark to create the proper atmosphere for the event. As such, all primary lighting and sound systems must remain at the present level for the duration of the performance. In addition, you will experience a television blackout during these events. This occurs at the request of the promoter or performing artist. For these events, the televisions are available prior to and after the performance.

Telephone and Internet: Suites are equipped with one telephone for internal use such as calling the pantry for food/beverage assistance or security. Free public Wi-Fi is accessible throughout Gainbridge Fieldhouse for all guests to use while on-site.

Damage to Suites: As a Gainbridge Fieldhouse Suite Holder, you are responsible for replacing any items in the Suite that are damaged intentionally or as a result of negligence or an accident. You will be billed for any damages that occur to any of the fixtures and/or equipment that are not incurred through normal wear and tear.

Suite Cleaning and Maintenance: Every Suite will be cleaned and sanitized following each event when occupied. In the event of multiple events being held on the same day, the Suite will be spot checked between events and completely cleaned following the last event of the day.

PS&E and Levy staff are available to clean spills and empty trash during events. For assistance, please contact a Levy server at ext. 3590 (KeyBank Suite Level) or ext. 3571 (Krieg DeVault Level).

PS&E staff handles the maintenance and repair of the utility systems within the Suite, including heating, air conditioning, water and lighting. PS&E staff will also perform routine maintenance and repair as needed. PS&E is not responsible for any damage or destruction to the Suite (including the cost of removing food or beverage stains) aside from normal wear, tear and depreciation. Promptly contact a Premium Experience Manager or a Levy server in the event of any immediate maintenance concerns.

Lost and Found: If an item is left in the Suite, please contact the Guest Relations Department or your Premium Experience Manager for assistance. Be prepared to provide a description of the item as well as the day it was left. Unless other arrangements are made, items will be taken to Guest Relations 48 hours after an event and guests will be able to claim those items from lost and found.

Conduct: Suite Holders and guests must refrain from throwing any object into the audience or onto any playing surface or stage. Violators will be subject to removal and/or prosecution.

- Suite Holders are responsible for the conduct of their guests at all times. If you suspect there may be an uninvited guest in your Suite, please contact the Premium Experience Manager on duty by dialing "0" on your Suite phone. Uninvited guests may be subject to eviction from Gainbridge Fieldhouse.

Alcohol: Bringing alcoholic beverages into Gainbridge Fieldhouse is illegal and strictly prohibited. Alcoholic beverages consumed in the Suites must be obtained from Levy Restaurants, and may not be removed from the building. PS&E and Levy Restaurants, at their sole discretion, reserve the right to discontinue the service of alcoholic beverages to guests in the Suites based on their behavior or abuse of consumption.

When tickets have been transferred, your Suite will be available when doors open. The liquor cabinet and refrigerator will be locked unless prior arrangements have been made. Locked refrigerators and cabinets will be opened by Levy, but only for Authorized Signers and/or the Designated Liquor Representative. These individuals must be present throughout the entire event. Upon arrival in the Suite, call the Levy pantry at ext. 3590 (KeyBank Suite Level) or ext. 3571 (Krieg DeVault Level) to expedite service.

Sharing alcohol with ticketed patrons outside of the Suite is prohibited. Violators will be subject to removal from Gainbridge Fieldhouse.

There may be events where alcohol sales are prohibited. We will advise you, with as much notice as possible, when alcohol services will be limited or not permitted. For events where alcohol is only being served in the Suites and not in other areas of the building, guests will not be permitted to take alcoholic beverages out of the Suite.

To maintain compliance with applicable laws, rules and regulations regarding alcohol consumption, as dictated by the Indiana Alcoholic and Tobacco Commission (ATC), PS&E and the Levy Restaurants ask that you adhere to the following:

- Each guest is responsible for pouring his or her own alcoholic beverages unless a Levy Restaurants representative is requested in advance. Guests are not permitted to serve as bartenders for other guests. If you wish to hire a bartender for your Suite, contact Levy Restaurants as they can provide this service. If a Suite Holder wishes to provide his/her own bartender, the bartender must be licensed by the ATC and have a Suite ticket for that specific event to be in the Suite. Suite Holders are required to notify Levy Restaurants of any person designated to provide this service within the Suite.
- The ATC requires monitoring twice an hour by the Levy server; however, it is essential that the Suite Holder or the Designated Liquor Representative monitor and control alcohol consumption within the Suite.
- By law, minors (under the age of 21) are not permitted to consume alcoholic beverages. It is unlawful to serve alcoholic beverages to a visibly intoxicated person.
- Violators of the Gainbridge Fieldhouse Guidelines may be subject to eviction from Gainbridge Fieldhouse and/or prosecution. Recurring violation may subject Suite Holder to termination of the Suite License Agreement.

BE A TEAM PLAYER...DRINK RESPONSIBLY

PS&E is dedicated to providing quality events that promote enjoyment and safety for everyone.
This is best achieved when moderation in alcoholic consumption is practiced.

PLEASE DO NOT DRINK AND DRIVE

Suite Tickets:

The number of Suite tickets received for each event will be determined by the Suite License Agreement. Event tickets will be distributed to the primary licensee listed on the account as the Suite Administrator. While the theater seats are numbered, the barstools are not and standing room only tickets will not have a dedicated seat; therefore, alternate suite seating (interior barstools) may be available for your guests.

Suite tickets for all Pacers and Fever games are distributed prior to the start of the regular season. Pacers/Fever playoff tickets will be issued prior to the start of the NBA/WNBA Playoffs.

All tickets will be managed digitally online (via Account Manager / Pacers or Fever mobile app).

- Pacers Account Manager (<https://am.ticketmaster.com/pacers/>) or via the Pacers Mobile App*
- Fever Account Manager (<https://am.ticketmaster.com/fever/>) or the Fever Mobile App.

*Suite tickets for all Gainbridge Fieldhouse concerts and special events will also be managed digitally via Pacers Account Manager or the Pacers mobile app. Event tickets will be available for transfer 2-3 weeks prior to the event (unless otherwise noted).

Standing Room Only Tickets (SROs):

Standing Room Only tickets may be used for each event (up to the max quantity) specified in your License Agreement – unless otherwise noted. For Pacers and Fever games, you will have access to these tickets ahead of each game and they can be distributed and used at your discretion. Following each game, the credit card on file will be automatically charged for any SRO tickets used.

For concerts and special events, the credit card on file will be used for all requested SRO tickets and must be paid for at the time of purchase. These SRO tickets will be made available in the online Account Manager as soon as the transaction has been processed. Once processed, SRO's are non-refundable, so please keep this in mind when requesting these tickets.

Included, Non-Included, Excluded Events:

- **Included Events:** For all included Suite events, the Suite Holder will receive all bowl-facing tickets for their Suite at no charge. SRO tickets are available for purchase in advance of the event. Please see Standing Room Only tickets for more information.
- **Non-Included Events:** For all non-included events, the Suite Holder has the option to activate their Suite for such events (based on availability) by purchasing their Suite tickets at the designated price associated with the event. In order to activate your Suite for a non-included event, you must purchase a minimum of six (6) tickets to the event. The price for the entire Suite and individual ticket price will vary based on the event.
- **Excluded Events:** As per your License Agreement, the Suite may not be available for your use during events termed as “excluded activities.” For these events, (when applicable) if you would like to purchase tickets, the Premium Experience Team will make every effort to offer and secure the best possible alternate seating in Gainbridge Fieldhouse (subject to availability).

Suite Guest Passes:

Based on your Suite location, you can request up to two or four (2 or 4) Suite guest passes for all Pacers/Fever games, and you may request up to two or four (2 or 4) Suite guest passes for all included Suite events (unless otherwise noted). A Suite guest pass will be

valid only when used by a guest who already has an admission ticket to the event in the Lower Level or Krieg DeVault Level. This will allow your guests to visit your Suite at any time during the game or other event. Contact your Premium Experience Manager for more information.

The guest must have an admission ticket in the Lower Level or Krieg DeVault Club Level and must be shown in conjunction with the guest pass in order to access the Suite. The guest pass is not a ticket into the event.

Cancelled/Rescheduled Events:

In the event of a show cancellation or rescheduling, the Premium Experience Team will provide Suite Holders with details regarding alternate performance dates, change of location or refund information (when applicable). Please be aware if the show is rescheduled in a different venue, your Gainbridge Fieldhouse tickets will not be valid.

If alternate arrangements need to be made regarding the tickets or parking passes, your Premium Experience Manager will notify you as soon as possible.

If doors have not opened and the event is cancelled or postponed to a later date, you will not be charged for your suite catering (if a preorder was placed).

Obstructed View Tickets:

Due to the stage configuration for events, some Suites may be located behind the stage creating an obstructed view. In these cases, for each included event, we will relocate your Suite's bowl-facing tickets to best available seating via the Gainbridge Fieldhouse Box Office (unless otherwise noted in your agreement). For non-included events, when available, you will be given the opportunity to purchase comparable seats before a predetermined deadline, equal to the number of bowl-facing seats in your Suite.

It is also possible that the promoter may change stage backdrops, sound and lighting systems at the last minute, which may impact your view. As this information is made available, the Premium Experience Team will promptly notify you to arrange for relocation seating if possible.
